Send Help

✓ To help others in this system, everyone needs to purchase an E-pin from your senior team members or your sponsor. The cost is Rs. 100 and this money is used to plant trees to create garden cities.

✓ After activating the e-pin, a donation of Rs. 1000 should be made to the senior queue member.

✓ After receiving approval from the aid recipient, your ID will be activated.

✓ But to get a donation you need to introduce an active member.
